

Surf Life Saving Australia Bank Account Details Collection Form

Background

SLSA has developed a universal payment gateway that all entities (Clubs / Branches / States / Support Operations Groups) in the organisation can use to collect payments via credit cards and then deposit the funds directly into each entities bank account. To facilitate this development, SLSA needs a list of all entities (who wish to participate) Bank Account Details.

Clubs and Entities should ensure the information listed below is also entered Surfguard in the Organisational Management details area. All fields on this form must be completed. **Please return completed form by logging a support ticket at <https://help.sls.com.au>, Fax or Post (Details at top page)**

NOTE: the provision of this information will only allow for deposits to be made into the Bank Account listed.
